6. Termination.

(a) Changes; Termination. DRB may at any time, terminate, change, suspend, or discontinue any aspect of the Software, Application, Site and/or DRB Materials, including the availability of the Statistics or any features or services available on the Site. DRB may also impose limits on certain features or restrict Licensee's and/or any User's use and access to parts or all of the Software, Application, Site and/or DRB Materials without notice to Licensee or liability on the part of DRB. DRB may at any time terminate the authorization, rights, and license granted herein, including Licensee's and/or any User's right to access the Software, Application, Site and DRB Materials. DRB may terminate this Agreement at anytime immediately, if Licensee and/or any User fails to comply with any of the terms and conditions of this Agreement. This Agreement shall terminate automatically upon termination of the license agreement between Licensee and DRB for use of the SiteWatch system.

(b) Effect of Termination. Termination of this Agreement by DRB shall, among other things, constitute termination of all licenses granted hereunder. Upon expiration or termination of this Agreement, Licensee and all User(s) will immediately stop all uses of the Software, Application, Site, DRB Materials, and Third Party Materials. Licensee will collect and destroy, and confirm the destruction of, all or any part of the DRB Materials and all copies thereof, regardless of form, and any such destruction shall be certified in writing to DRB by an authorized officer of Licensee supervising such destruction. The terms of Sections 1, 4, 5, 6(b), 7, 8(b), 9 and 10 shall survive any termination or expiration of this Agreement.

7. Limitation Of Liability.

(a) Selection and Use of Software. Licensee accepts sole responsibility for (a) the use of the Software, Application, DRB Materials and Third-Party Materials to achieve Licensee's intended results; (b) any reliance on the accuracy, completeness, or usefulness of any Third Party materials and DRB Materials; and (c) lost or damaged

data, DRB Materials, or any content entered in or stored in the Licensed Software and Application and the adoption of procedures and safeguards (e.g., regular data backups) to prevent such loss or damage. Licensee accepts sole responsibility for all loss, claim, liability, or damage, and related costs and expenses arising directly or indirectly out of or in any way related to Licensee's own fault or negligence. Licensee accepts that the DRB Materials provided by DRB and/or generated by Licensee's and/or any User's Use of the Software and Application are for informational purposes only and should not be relied upon by Licensee.

Licensee is responsible for and will take all reasonable precautions, by instruction, agreement, or otherwise, to ensure that User(s) are informed that the Software and DRB Confidential Information are confidential, proprietary information belonging to DRB and to ensure that they make no unauthorized use or disclosure of such information. Licensee may disclose said materials if Licensee is required to do so pursuant to a governmental agency or court of law so long as Licensee provides DRB with written notice of such request prior to such disclosure and cooperates with DRB to obtain a protective order.

All questions, notices, complaints and claims shall be sent to the attention of the Director of Customer Support, DRB Systems, Incorporated, 3245 Pickle Road, Akron, Ohio 44312. Entire Agreement/Interpretation. Licensee has read this Agreement and understands it and shall be bound by its terms and conditions. This Agreement constitutes the complete and exclusive statement of the agreement between DRB and Licensee and DRB and User, and all previous representations, discussions, and writings are superseded by this Agreement. This Agreement shall prevail over any additional, conflicting, or inconsistent terms and conditions that may appear on any purchase order or other document furnished by Licensee to DRB or otherwise executed by the parties. In the event of any conflict or inconsistency between the terms of the main body of this Agreement and any other ancillary documentation, the terms of the main body of this Agreement shall control. The section headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provision of this Agreement. If any provision of this Agreement is found to be invalid or unenforceable by any court, such provision shall be ineffective only to the extent that it is in contravention of applicable laws without invalidating the remaining provisions hereof. Licensee desires to execute and accept this Agreement electronically in substitution for conventional paper-based documents and to assure that such transaction is not legally invalid or unenforceable as a result of the use of available electronic technologies for the mutual benefit of the parties. Licensee and User will not to contest the validity or enforceability of this Agreement under the provisions of any applicable law. This Agreement shall be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form.

Waiver. All waivers under this Agreement shall be in writing and be identified in such writing as a waiver to this Agreement in order to be effective. No waiver by a party of any breach of this Agreement or waiver of any warranty, representation, or other provision hereunder shall be deemed to be a waiver of any other breach, warranty, representation, or provision (whether preceding or succeeding, and whether or not of the same or similar nature), and no acceptance of performance by a party after any breach by the other party shall be deemed to be a waiver of any breach of this Agreement or of any representation, warranty, or other provision, whether or not the party accepting performance knows of such breach at the time of acceptance. No failure or delay by a party to exercise any right it may have by reason of the default of the other party shall operate as a waiver of default or modification of this Agreement or shall prevent the exercise of any right of the non-defaulting party under this Agreement.

Governing Law and Venue. This Agreement shall be construed in accordance with the laws of the State of Ohio. All actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the state or federal (if permitted by law and a party elects to file an action in federal court) courts located in Summit County, Ohio. This choice of venue is intended by the parties to be mandatory and not permissive in nature, and to preclude the possibility of litigation between the parties with respect to, or arising out of, this Agreement in any jurisdiction other than that specified in this section. Each party waives any right it may have to assert the doctrine of forum non conveniens or similar doctrine or to object to venue with respect to any proceeding brought in accordance with this section. Any action of any kind brought by Licensee and arising out of or in any way connected with this Agreement must be commenced within one (1) year of the date upon which the cause of action accrued.
